

# My 2010 Soul Care Plan

Do you want to be more intentional about nurturing your soul? As we move into this New Year, we invite you to take some time to prayerfully prepare your own customized Soul Care Plan, using the following steps:

**Step 1:** Read through both sides of this document without marking any responses.

**Step 2:** Answer the three questions below, referencing the building block descriptions on the back of this page as needed.

**Step 3:** Fill in the details on the back of this sheet for the blocks you've decided to add to your Plan for 2010.

**Step 4:** Complete the covenant form as a promise to yourself. We invite you to return a copy of this document in the basket at the info desk or in the offering next Sunday.

## Where am I now?

In this space mark the letters of the building blocks that you are now practicing as a part of your life. Only reflect here what you are *already doing regularly*.

--	--	--	--	--	--

## What am I ready to add (or upgrade) now?

In this space, mark the letters of any building blocks that you feel ready to add to your life rhythm right now, or any blocks you are already practicing but feel ready to "upgrade". Please don't over-commit! Be realistic. It's much better to add or upgrade one block, and do it intentionally and well, than to add or upgrade many blocks and burn out attempting to keep up.

--	--	--	--	--	--

## What might I want to add in the future?

In this space, mark the letters of any building blocks that you hope to add or upgrade at some point *in the future*. This does not affect your 2010 Soul Care Plan. It's just a chance to do some forward thinking.

## My Covenant

With God's help, I hereby promise myself that I will faithfully implement this Plan throughout the year, knowing that because of it, I will grow stronger, my life will be better, and others will be blessed because of me!

We invite you to bring a copy of your Plan to Church next Sunday. You can place it in the basket at the info desk or in the offering plate. If you do so, here is what will happen:

- Jeff and Melody will regularly pray for you by name, that God will help you succeed in your Soul Care Plan.
- Twice this year, Jeff and Melody will send you a letter with a message of encouragement and a copy of your Plan as a reminder.
- We will *not* keep track of whether you are following through with your Plan or badger you in any way. It's up to you to monitor progress under your Plan.
- We will *not* share your Plan; confidentiality will be respected.

If you have questions, please feel free to discuss this with the pastoral staff or any of the SoulShift teachers.

# Building Blocks for Practicing the Presence of Christ

Jesus said, “I am the way, the truth, and the life.” He came to show us how to make our lives all they’re supposed to be. At Jesus MCC, our highest goal is to learn to follow Jesus in this way—to become his disciples, to be like him.

How did the earliest disciples learn to become like Jesus? By **spending time with him**—listening, observing, imitating. And we can become like Jesus in that same way.

This intentional Soul Care Plan is all about “**practicing the presence of Christ**”—weaving quality time with Jesus into the fabric of our lives, so that we start to become more and more like him.

We recommend a “building blocks” approach to spending time with Jesus. We encourage each person to design his or her own **custom Plan**—*at your own pace, step-by-step, one block at a time.*

But the building blocks are only a means to an end—not an end by themselves. We will not have “arrived spiritually” once we have our building blocks in place. We will probably have *only just begun* to welcome enough of the presence of Christ to experience growth and transformation.

**So, what is your own personal Soul Care Plan going to look like?**

## **W is for Worship: A deep commitment to regular Sunday Worship**

Do I feel led to make a commitment to regular worship?

Yes  No  Maybe next year

## **Q is for Quiet Time: Regular two-way conversation with God**

Do I feel led to practice a regular quiet time (daily or at least most days)?

Yes  No  Maybe next year

If yes, what form will my quiet time take:

---

(Check out *Be Still and Know* at [JesusMCC.org/bestill](http://JesusMCC.org/bestill).)

## **C is for Connection: Participation in spiritually focused small groups**

Do I feel led to connect to a spiritually-focused small group?

## **S is for Service: Using my gifts to serve the church and the world**

Do I feel led to invest regular time serving God?

Yes  No  Maybe next year

If yes, what form will my service take?

I will participate on a JMCC Ministry Team:

---

*A list of ministry teams is available in the Social Hall.*

I will serve God by donating time to:

## **G is for Generosity: Giving to God’s work on earth**

Do I feel led to practice regular giving?

Yes  No  Maybe next year

If yes, what form will my giving take?

I am going to tithe on my income.

I am going to go beyond tithing by giving \_\_\_\_% of my income

I am not in a position to tithe now, but I’m going to get serious about getting there. I’m going to give:

2.5% of income

5.0% of income

7.5% of income

I don’t feel led to tithe. For me, at this time, generosity means giving:

\$\_\_\_\_\_ per week or \$\_\_\_\_\_ per month.

*For your convenience, you can pick up an electronic giving form or offering envelopes at the info desk.*

## **D is for Discipleship Decision: intentional commitment to follow in the way of Christ**

Are you committed to following Jesus as a disciple? Do you want to become like him?

Yes  No  I need more time to consider.

## **? is for You to Ponder: We call it “The Mystery Block.”**

Beyond the “basics” listed above, maybe you feel led to incorporate other sacred commitments into your Soul Care Plan for 2010. Examples might include: eating a healthier diet, spending more quality time with family, going back to school, praying with my spouse or a friend, eliminating some commitments so I can better focus, going on a retreat or a missions trip, painting or playing music, etc.

As you prayerfully consider how to best nurture your soul in 2010, what “mystery block” commitments, if any, are you called to make?
